“Education is the manifestation of the perfection already in man. All power is within you...You can do anything and everything. Arise, Awake and Stop not till the goal is reached. The secret of life is not enjoyment but education through experience.”

-Swami Vivekananda

“The purpose of education is to make good human beings with skill and expertise...Enlightened human beings can be created by teachers...”

-Dr. A.P.J. Abdul Kalam

From the Desk of the Vice-Chancellor

Maharaja Bir Bikram University started its maiden journey on 1st November, 2015. The establishment of this University was to make the dream of Maharaja Bir Bikram Kishore Manikya Bahadur turn into a reality. He dreamt for a scheme, known as '*Vidyapattan*', for a place of higher education. And this is the very reason that the University is named after Maharaja Bir Bikram Kishore Manikya Bahadur. It is a State University which is established through the Maharaja Bir Bikram University Act, 2015 (Act No. 6 of 2015), and thereby, passed by the Tripura Legislative Assembly. Since, its establishment, so far, five academic sessions have been completed. But the session, i.e. 2020-2021 was a very significant year since the world had faced Covid-19, its impact, and a lock down during this session. Covid-19 had a profound effect on the education sector which made the teacher-student relations offline to online. And as a result, due to the implementation of lock down, the academic activities in the education sector tremendously affected the psyche of students and teaching faculties.

But unlike the other Universities, MBB University started its academic activities in the first week of lock down itself. The faculty members of the University started online teaching from their home. Despite Covid-19 posing as a threat and a challenge in itself, MBB University has organised an international webinar on “Covid 19: Issues and Challenges on Economy, Politics and Society” on 29th May 2020, probably the first in the North-East India. The webinar was inaugurated by the Hon’ble Chief Minister of Tripura Sri Biplab Kumar Deb. It was attended by the Vice-Chancellors and academicians of different institutions. Other webinars included were: An International Web Conference on Advance Research in Science, Humanities and Social Science (IWCARSHSS 2020) was held on July 9-10, 2020; “Pandit Deen Dayal Upadhyay and His Relevance in Contemporary World” on 24th September 2020; “Pandemic Pedagogy: Issues and Challenges” was held on 24th July, 2020 etc. among others and many such were organised. The University has also conducted all its Post Graduate Examinations in a regular manner. The faculty members have also participated in various workshops and webinars all throughout the year. The faculties have also published articles in various journals of repute. During the Pandemic period, the registration fee collected through seminars have been contributed to the PM CARE fund and CM Relief fund. During this period, faculty members and staff of the University contributed to the Government relief fund and also as part of outreach programme distributed food items among the needy people of the surrounding villages.

Once the affects of Covid-19 were seemingly reduced, the University had also started classes and conducted examinations and organised seminars in physical mode. The University has also published its Peer Reviewed Journal 'Adhyayan'. During this period for skill development, one professional course, Diploma in Goods and Services Tax and two Integrated Master Degree Programmes in Commerce and Chemistry have also been introduced which ultimately increased the intake capacity of the University.

It was during this period that the University has also received the recognition from University Grants Commission under 12B.

This Annual Report of 2020-21 is the reflection of round the year activities of MBB University. Despite of constraints, our academic commitment towards the state of Tripura and to meet the challenges of changing global education scenario remains immeasurable.

CHAPTER 1

About Maharaja Bir Bikram University

Maharaja Bir Bikram University was founded on *November 1, 2015* through the *Maharaja Bir Bikram University Act, 2015 (Act No. 6 of 2015)*, and passed by the Tripura Legislative Assembly. It is the only State University of Tripura and is empowered to award degrees as specified by the University Grants Commission (UGC) under section 22 of the UGC Act, 1956. This University is named in memory of the last king of Tripura *Maharaja Bir Bikram Kishore Manikya Bahadur* of Manikya Dynasty.

This visionary king pioneered & contributed immensely for the upliftment & advancement of educational scenario of Tripura. He is considered to be the father of modern architecture in Tripura as the entire planning of present-day Tripura was initiated under his supervision. He also pioneered land reforms, set up of the country's first municipality, built the first airport of Tripura and initiated tribal welfare for the indigenous people of Tripura. King Bir Bikram launched the ***Vidyapattanam*** project in 1947 at *College Tilla*. It was a landmark in the history of education in Tripura. Under this project, *Maharaja Bir Bikram College*, the first degree college of Tripura, was established in 1947. The present area of this ***Vidyapattanam*** project at *College Tilla* is about 72 acres, consisting of Maharaja Bir Bikram University and its three affiliated colleges namely *Maharaja Bir Bikram College*, *Bir Bikram Memorial College* and *Tripura Government Law College*. Maharaja Bir Bikram University possesses **38.4018 acres** of land.

***Maharaja Bir Bikram
Kishore Manikya Bahadur***

Maharaja Bir Bikram University is located at College Tilla (formerly known as Rashmon Tilla under Kingly Regime) in the lap of lush greenery of capital city Agartala,

Tripura covering an area of 75 acres. It is indeed an ideal place with panoramic beauty which is surrounded by lakes. This scenic beauty compels not only to explore the region but also to reduce the monotony of routine academic life. Overall, the location of the University has a unique ambiance which gives a perception to build up positive attitude and keen concentration in students. The location of the University can be

connected or reached by any medium from any parts of the state. Besides, Agartala is connected with the rest of the country by air route through Maharaja Bir Bikram Airport via Kolkata, Guwahati and also by railway connectivity through Jogendranagar Railway Station, Agartala Railway Station via Guwahati, Kolkata, Delhi etc. The distance from MBB Airport to MBB University is 10 km.

The major financial assistance to this University is provided by the state government. Tripura, the third smallest state of India, is not economically independent till now. The prime objective of MBB University is to generate an environment where economic situation does not become a barrier to the pursuit of quality education that is primarily associated with employability. Thus, the economically challenged students of Tripura as well as the students of other North-Eastern states of India can easily avail higher education in Maharaja Bir Bikram University. This University has also extended the opportunities of higher education and employment to the Tripura's tribal population, who constitutes about 31% population of the state.

There are 22 general degree colleges in Tripura and about 10,000 students complete the Under Graduate degree successfully every year. A major part of these students wish to opt for Post Graduation courses. Before 2015, Tripura University was their only option which was not sufficient. Now with establishment of MBB University, the interested students can fulfill their urge of higher education through MBB University. Therefore, for the interest of the vibrant and radiant students' community of Tripura and other North Eastern states of India, MBB University must grow to higher standards and create a bench mark of quality education.

The mission of Maharaja Bir Bikram University is ***“to open the new horizons of knowledge in science, technology, humanities, commerce & law in front of the aspiring minds of the students and encourage them to pursue quality & original research for the betterment of the society and the world.”***

Our motto is ***“to provide every student a journey from knowledge to wisdom of life through Ideas, Imagination and Innovations.”***

Brief Summary of facilities and services of Maharaja Bir Bikram University:

- **Anti-Ragging Committee:** In compliance with the UGC Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009 under Clause 6.3 (a), the MBB University has constituted the Anti-Ragging Committee under the Chairmanship of the

Vice-Chancellor. The committee is functioning actively throughout the year to eradicate all the possibilities of occurrence of ragging as the University has taken zero-tolerance policy towards ragging in any kind. Ragging in all forms is totally banned in the entire campus of the MBB University.

- **Caste Based Discrimination Committee:** To look into and regulate the matter relating to discrimination of any kind against the SC/ ST/ OBC Students/ Teachers and Non-teaching staff of the University and its affiliated colleges on the basis of Caste, Community etc. MBB University has formed a Caste Based Discrimination Committee and appointed *Shri Jyoti Prasasd Debbarma*, Controller of Examinations, MBB University as the Chairperson of the Committee. The University maintains a page in its website (www.mbbuniversity.ac.in) for lodging complaints of caste based discrimination by SC/ST/OBC students, and also developed a separate URL (https://mbbuonline.edu.in/Caste_Discrimination.aspx).
- **Internal Complaints Committee (ICC):** To ensure the safety and security of the women employees and students as well, the MBB University has formed the Internal Complaints Committee (ICC) in the University “as per Vishaka Guidelines against Sexual Harassment in the Workplace.” *Dr. Gita Debnath* has been appointed as the Chairperson of the committee. The Committee is strictly monitoring the issues related to sexual harassment.
- **Internal Quality Assurance Cell (IQAC):** The University constituted the Internal Quality Assurance Cell (IQAC) to ensure qualitative approaches towards educational, academic, administrative activities in the University and its affiliated colleges. *Dr. Runu Dhar*, Associate Professor, Department of Applied Mathematics is performing as Coordinator of the Cell.
- **Computer Laboratory:** There is a Computer lab in the Academic Block of the University consisting of 15 number of computers for practical session of the students. The number of computers will be increased soon with internet connectivity and Wi-Fi facilities.
- **Library:** The University has a Central Library in its initial capacity with a good collection of over 6000 textbooks and reference books. More than 22 printed journals and 10 magazines with subscription of 2 National and Regional dailies and 1 National Weekly Magazine are there to provide a base for enhancing learning spirit among students. The

Library has books on the academic subjects like Applied Mathematics, Library Science, Linguistics, Literature, North East Studies, Public Administration, Political Science and Sociology, etc. and is in a constant process of developing its collection. Library cards are issued to every student and the students borrow books from the Library through the issued cards. The Library functions on all working days from 10:00 to 17.30 Hrs.

The Library has a dedicated Reading Room for the purpose of individual study and research of the bonafide students of the University. The reading room also has a dedicated section for books related to Parliamentary affairs donated in June, 2017 by *Shri Sankar Prasad Datta*, Honourable Member of the Parliament, West Tripura Lok Sabha Constituency.

The University has plans in its future outline to expand the Library with infrastructural facilities and e-library features.

- **Stipend / Scholarships** : Financial assistance in the form of stipend / scholarship is provided under different schemes of Government of India and State Government of Tripura to the students of the University on the basis of need and academic merit so that the students can bear the expenses of day to day necessities like books, stationeries etc. The information about presently available stipends and scholarships is given below:

Academic Programmes and Student Enrolment Data

• Ph. D. Programmes

To develop the area of research works, Maharaja Bir Bikram University completed the admission process to Ph.D. programmes in Two (2) departments viz. **Applied Mathematics, Public Administration.**

• Postgraduate Courses (at university campus)

Maharaja Bir Bikram University currently offers post graduate courses in Four (4) subjects:

- | | |
|--|------------|
| 1. M.Sc. in Applied Mathematics | Intake: 50 |
| 2. M.A. in Public Administration | Intake: 50 |
| 3. M.A. in English | Intake: 50 |
| 4. Master of Library and Information Science | Intake: 30 |

Besides these, University also offers following programmes:

- | | |
|--|------------|
| 1. Bachelor of Library and Information Science | Intake: 50 |
| 2. Integrated Master Degree (IMD) in Chemistry | Intake: 60 |
| 3. Integrated Master Degree (IMD) in Commerce | Intake: 60 |
| 4. Diploma in Goods and Services Tax (GST) | Intake: 60 |

Admission is done as per the Reservation Rule of the Government of Tripura.

Integrated Master Degree (IMD)**About the Programme:**

The education system in India has witnessed a lot of transformation. The introduction of Integrated Master Degree programmes (IMD) at higher education is one of them. It is a degree programme which combines two degrees and a single degree is awarded as a whole after the completion of the programme. By combining two degrees, candidates can avail two academic qualifications in one shot. The IMD has become one of the most popular post graduate programmes at the University level, with many students now finding more convenience in it over the traditional Post graduate courses. The programme structures and contents of the syllabi of IMD programme are upto date and research oriented. The New Education Policy, 2020 of the Government of India has also laid down special emphasis on introducing more IMD programmes at higher educational institutions in India. Thus, keeping in mind of the growing popularity of IMD programmes, MBB University has introduced IMD programmes in Chemistry and Commerce with the help of human resource and physical infrastructures of MBB College and BBM College which are affiliated to MBB University.

Year of Commencement of the Programme : 2020

Coordinator, IMD Programme : Dr. Bindu Ranjan Chakma, Associate Professor

IMD in Chemistry

A degree in Chemistry provides a variety of educational and professional opportunities. It makes the graduates well equipped, competitive and employable and gives them the opportunity to play an important role in healthcare, manufacturing, tech and bio tech.

The students admitted to this programme are being taught at MBB College in the Department of Chemistry by highly qualified and dedicated faculty members attached with the Department of Chemistry in the two affiliated general degree colleges. The programme has already attained popularity among the students as MBB University received huge number of applications in the very beginning of the course and started its academic journey with a good number of students. The Department organizes seminar, quiz and special lectures on important topics periodically. The major thrust areas of IMD programme in Chemistry include organic chemistry, inorganic chemistry, physical chemistry, industrial chemistry and biological chemistry. The programme provide rigorous education in the fundamental areas of chemical and biological knowledge and experimentation. The students are encouraged to participate in the undergraduate research opportunities programmes.

Head of the Department : Dr. Asish Mitra, Associate Professor

IMD in Commerce

Commerce is considered as one of the most favourable career choices in India as well as abroad during this era of globalization. The stream is directly or indirectly linked with the prospect of business. So, a degree in Commerce provides better scope to pursue a career or own a business. Today, many multinational corporations (MNCs) are setting their offices in India. They provide

many employment opportunities for professional commerce background students. Considering the bright career prospects and prospective career, Maharaja Bir Bikram University has introduced Integrated Master Degree Programme (IMD) in Commerce during 2020-2021 academic session. The students admitted to this course are being taught at BBM College with active involvement of qualified and dedicated faculty members of Commerce Department of MBB College and BBM College. Students adopting Commerce stream generally have to study subjects like Accountancy, Finance, Business Studies, Economic, Taxation etc. But, the main thrust areas of IMD in Commerce at MBB University include Accountancy and Business Studies. The Department organizes seminars, special lectures, debates and quiz competition periodically on important topics to make the students and faculty acquainted with the recent developments in the field and to increase efficiency and academic soundness.
