**INTRODUCTION:** Today the human race and the world are experiencing a never-seen-before situation due to the COVID-19 pandemic. All over the world there is a reign of confusions, fright and uncertainty. Due to social lock downs enthusiastic, aspiring and energetic people are compelled either to be isolated inside their homes or restricted to move only within some boundaries. Social and mental depressions are increasing day by day. But whatever the situation may be we must not lose our hope. We have to continue our learning and sharing our thoughts with others. We have to break all the barriers, if not physically, then virtually. Even if we are isolated from others our minds, views and expressions must connect. In this perspective of learning and sharing of thoughts, the Department of Applied Mathematics, MBB University is organizing this Web Conference where academicians, researchers and students from all fields of knowledge may it be Science; Humanities; Social Science or any other allied fields, can come together. In current COVID-19 pandemic situation, Web Conference possibly the only feasible way to assemble all the thinking minds from various parts of the world as well as India. Moreover, we feel that there should be no barrier in sharing of knowledge and experience in the research field in present world scenario. Hence we have included the three major fields of knowledge as the main themes of this web conference. Therefore, any academician, researcher or student from any field of academia can present and share their work in front of the others and also learn about the recent trends of various streams.

**OBJECTIVE:** The main objective of this web conference is to bring all the aspiring and enthusiastic minds together and explore the interconnectedness of all streams of research. In this web conference there is no subject barrier. Any one from any field of academia can present their works. So that we can understand we may have locked physically but our minds are going on even under the menace of COVID-19 pandemic. The world will know that we have not stopped learning, have not stopped thinking and most importantly we have not lost hope. We will let all of our fellow people know that we will not go quietly into the night! We will not vanish without a fight for our right to live and learn!

### SCOPE OF IWCARSHSS 2020:

- 1. Any field of Science** (*Special reference to North-East India*)
- 2. Any field of Humanities and Social Science** (*Special reference to North-East India*)
- 3. Any other allied fields**
- 4. Any research related to COVID-19 pandemic**

## ABOUT TRIPURA AND AGARTALA:

Tripura is one of the *Seven Sisters* states of North-East India. It is immortal through the novels of the great *Rabindranath Tagore*. Agartala is the capital of Tripura. Holy shrine Tripureswari temple is situated about 50 KM from Agartala. Other attractions of Agartala are: State Museum at Ujjayanta Palace, Sipahijala Wildlife Sanctuary (habitat of spectacled monkey *Trachypithecus phayrei*), Kasba Kali Temple, Nirmahal etc. Agartala is well connected by Air with Kolkata, New Delhi and Guwahati as well as by bus/train from Silchar, Shillong, Guwahati and Dhaka (capital of Bangladesh). For sightseeing visit: [www.Tripuratourism.com](http://www.Tripuratourism.com).

## MAHARAJA BIR BIKRAM UNIVERSITY, AGARTALA:

It is a State University of Tripura and bears the name of the last King of Tripura *Maharaja Bir Bikram Kishore Manikya*. MBBU was established on 1<sup>st</sup> November, 2015. It consists of four PG Departments: Applied Mathematics, English, Public Administration and Library & Information Science. Maharaja Bir Bikram College, Bir Bikram Memorial College and Law College are affiliated to MBB University.

## DEPARTMENT OF APPLIED MATHEMATICS

This department offers courses on both Pure and Applied genre. It is one of the pioneering departments to offer an interdisciplinary course connecting social sciences and mathematics. So far we have organized an International Conference (ICRTMS 2018), a National Conference (NCAMM 2019), and a One Week Workshop (NWCMA 2019). We regularly organize departmental seminars, popular lectures, projects etc. to stimulate the enquiring minds of the aspiring students and to encourage them to pursue quality research.

**Concept Note**

Coronavirus disease (COVID-19) is one of the most talked about issue of 2020, be it social, economic or political arena throughout the world. It can be transmitted from animals to human and from human to human through close contacts. People suffering from this disease may develop problems like common cold, severe respiratory problem, kidney failure and even death in severe cases.

It was first identified in the month of December 2019 in Wuhan city of China and since then it has been spreading out globally. But there is no such specific medicine developed yet for treating the disease. So, the affected nations ultimately have chosen lockdown as the most preferred way to save the humanity of the world and to contain spreading the virus. India as COVID-19 affected country has also been following the same path.

The first positive case of COVID-19 was identified in India on 30<sup>th</sup> January 2020. Since then, the numbers of positive cases have been gradually increasing in an unexpected manner. Hence Government of India came out with a strict decision of imposing nationwide lockdown from 24<sup>th</sup> March 2020 and it is continuing till date, obviously with some relaxation from 2<sup>nd</sup> phase of lockdown based on ground situation in different parts of the country. Though the lockdown was the need of the hour and was only possible solution to save the humanity but at the same time it has affected the socio-political scenario of the country and most importantly the economy one.

On this backdrop, the Webinar proposed-

- to identify the issues related to COVID-19,
- to identify the major challenges of COVID-19 on Economy, Politics and Society.
- to identify the prospective way out from challenges posed by COVID-19.

**Sub-themes**

Theme is divided into several sub-themes as detailed below, but not necessarily limited to:

- COVID-19 and its Economic, Political and Social Impact.
- COVID-19 and India's relationship with neighboring Countries.
- COVID-19 and its impact on North East India.
- Future Plan after Lockdown
- COVID-19 and role of Media
- COVID-19 and NGOs

**About Maharaja Bir Bikram University**

Maharaja Bir Bikram University, established by an Act of Tripura Legislative Assembly, began its maiden journey in 2015. Situated in a lush of green landscape adjacent to MBB College, Agartala, the university intends to sail through the vibrant world of academia with objective of encouraging imagination, innovations and ideas in the newly emerging academic disciplines without ignoring the vast knowledge that have been accumulated over long period of human civilization.

**Department of Public Administration**

The Department of Public Administration started its journey on 10<sup>th</sup> August, 2016. The basic objective of the Department is to train Post Graduate Students thoroughly in all branches of the discipline. The curriculum of the Department focuses on the theoretical concepts as well as recent empirical aspects in the discipline. This provides the students with necessary conceptual awareness to undertake further specialized studies and research activities.
